## NOTICE OF ELECTION.

Office of the Board of Commissioners of The Town of Hendersonville.

At a meeting of the Commissioners of The Town of Hendersonville, duly called according to law, and held at the Town Hall, on the 5th day of June, 1908, Michael Schenck, Mayor, and J. A. Bryson, J. F. Brooks, J. C. Morrow, J. M. Rhodes, E. C. Ross and J. O. Williams, Commissioners, being present, the following preamble, resolution and order were made:

WHEREAS on the 28th day of February and the 6th day of March, 1908, the Commissioners of The Town of Hendersonville believing that they were acting in the best interest of the whole people of The Town of Hendersonville, passed ordinances and resolutions to the effect that the side walks on Main Street and Anderson Avenue should be paved with the cement and concrete as set forth in contract as recorded on pages 288 et seq. of the town records of date 1908, as work necessary to be done, to be paid for as provided for in order recorded in said records on page 284 of said records, as follows:

Be it Ordained by the Board of Commissioners; That the work of putting down concrete pavements on Main street and Anderson avenue, as heretofore determined, shall all be let to contract and the work commenced by first day of April, 1908, except that part which may be done by abutting property owners; that the abutting property owners shall have the option of doing the work which is to be charged to them themselves; Provided the same is done according to the specifications and under the regulations made by the town and within the time prescribed by the town, to-wit. All owners shall give notice in writing to the Secretary of the Board of Commissioners by the first day of April, 1908, that they, in good faith, intend to do the work required to be done by or for them, and that they will commence the work on or before the 15th day of April, 1908, and will complete same on or before the 15th of May, 1908, and in all cases where said notice is not filed with said secretary by the date mentioned and the work commenced by the date mentioned, the owners shall be deemed to have waived the right to do the work themselves, and the same shall be done by the Town and charged to the abutting owners to be paid for as ordered by the Board. It is further ordered that the Secretary of the Board see to it that a copy of this ordinance and all the orders made by the Board relating to the paving of said walks on Main street and Anderson avenue be forthwith placed in the hands of resident owners, or their agents, and mailed to the nonresident owners, or their agents.

And whereas the Commissioners were advised and believed that they had the right under the law to borrow the money to make the improvement specified in said order, and to require the property owners getting the direct benefit of said improvements to repay said money as required, into the Treasury, so as to indemnify the general tax-payers and those not directly benefitted against being taxed for the purpose of the improvement to individual property owners; and whereas, in anticipation of said scheme said Commissioners entered into a contract with a competent contractor to do said work and at the time entered into contract with C. A. Webb and Company, to purchase the bonds of said Town to an amount sufficient to enable them to comply with their contract for said work, and whereas after said contractor had performed much of said contract, it has been decided by the Courts that before said Commissioners can borrow money to pay for this paving said side walks the proposition shall be submitted to the qualified vot-

ers of the Town and approved by them, and whereas the said commissioners are of the opinion that the said voters of said Town are willing to and will ratify and approve the work so done and to be done; and whereas a petition has been filed with said Commissioners, signed by more than one-fourth of the qualified voters of The Town of Hendersonville, more than 12 of whom are bona-fide property owners and freeholders in said town, asking that an election be called as hereinafter ordered, which said petition has been duly examined and found to comply in every particular with the law governing petitions for municipal elections in such cases and the Charter of said Town and approved by said Board

IT IS THEREFORE ORDERED by the Board of Commissioners of The Town of Hendersonville that an election be called and held as required by law on the 11th day of July, 1908, at the Town Hall in said Town at which election shall be submitted to the qualified voters of The Town of Hendersonville the following proposition, that is to say, shall the Board of Commissioners of The Town of Hendersonville be authorized to pave and finish paving the side walks on Main Street, from the branch north of the Noterman property to the Transylvania Railroad on the south; and Anderson Avenue from the Southern Railway depot to Main Street, as specified in said contract with J. H. Jordan, as entered upon the records of the Town, and borrow money to the amount of \$18,000.00, to be evidenced by bonds due and payable \$2,000.00 in 1918, and \$2,000.00 each year thereafter until paid, with interest at 6 per cent per annum, payable semi-annually on the first days of January and July, respectively, and to be charged to and collected out of the property abutting on said improvements, as authorized by law, and borrow money to pay for the work done and to be done; and that at said election the voters who may desire to ratify and approve said scheme and proposition shall vote a ticket upon which shall be written or printed the word "APPROVED" and those who are opposed to said scheme shall vote a ticket upon which shall be written or printed the words "NOT APPROVED." That for the purpose of holding said election in conformity to law W. C. Stradley and L. T. Williams are hereby appointed judges, and J. D. Dermid is hereby appointed Registrar and ordered to proceed in the discharge of their duties.
